About NCL

Nelson College London is an independent college of higher education that caters for Domestic and European Union students and is registered with the Office for Students (OfS) at the highest approved (fee cap) level. You can learn more about the Office for Students by visiting their website <https://www.officeforstudents.org.uk/>

The College is student focused, providing both an excellent educational opportunity and the development of essential personal skills, specifically in the areas of communications, networking, strategic thinking and goal achievement.

This ensures that our students are able to prosper in a highly competitive environment.

The College operates on two campuses: Olympic House (Ilford) and Commercial House (Gants Hill). The Ilford campus is located in the heart of Ilford Town Centre, a few minutes' walk from Ilford Station, with a wide variety of retailers nearby including The Exchange Shopping Mall.

There are many other facilities in close proximity to the Ilford campus, including a Leisure Centre, Places of Worship, the Public Library and many Bus Services to surrounding locations.

Many of these features are also available at our Gants Hill Campus, located approximately 10 minutes from Ilford and 3 minutes from the local Gants Hill Underground Station.

Message from the Principal

Dear Students,

It gives me great pleasure to welcome you to Nelson College London.

The Mission of Nelson College is to offer access to higher education to people from the widest possible range of backgrounds, enabling them to transform their lives through the acquisition of the knowledge and skills that they need to succeed in their chosen careers.

With that in mind, my task and that of my staff is to ensure that your time at the College is marked by a high-quality learning experience, so that your independent learning skills are fully developed with all the support, advice and encouragement we can give you, making learning enjoyable as well as meaningful.

I encourage you to review this prospectus, which sets out the standards of service which Nelson College aims to provide, what the College expects of you and the quality of the service that you are entitled to expect from us.

If you have any problems concerning your programme of study, please do not hesitate to contact the relevant department.

Meanwhile, I would like to take this opportunity to wish you every success in your academic career at Nelson College London.

BTEC Higher National Qualifications

Pearson BTEC Higher Nationals are designed to provide a specialist vocational programme, linked to professional body requirements and National Occupational Standards where appropriate.

They offer a strong, sector-related emphasis on practical skills development alongside the development of requisite knowledge and understanding.

The qualifications provide a thorough grounding in the key concepts and practical skills required in their sector and their national recognition by employers allows direct progression to employment.

A key progression path for BTEC HND learners is to the third year of a degree or honours degree programme, depending on the match of the BTEC Higher National units to the degree programme in question.

The Pearson BTEC HND in Business offers a progression route to the professional qualifications offered by various professional bodies in the business sector.

Studying a Pearson BTEC HND in Business is ideal for those wishing to obtain an excellent Management qualification or be better prepared as a Business Manager or Entrepreneur. The Pearson BTEC HND in Hospitality Management offers the same opportunities within the Hospitality Sector and a progression route to the professional qualifications offered by the Institute of Hospitality.

Entry requirements of BTEC Higher National Qualification

For learners who have recently been in education, the entry profile is likely to include one of the following:

- An AVCE/GNVQ in an appropriate vocational area (e.g. Business, Hospitality and Catering, Travel and Tourism);
- A BTEC National Certificate or Diploma in Business Studies, Hospitality Supervision, or a similar discipline;
- A GCE Advanced level profile which demonstrates strong performance in a relevant subject or an adequate performance in more than one GCE subject. This profile is likely to be supported by GCSE grades at 9 to 4;
- Other related Level 3 qualifications;
- An Access to Higher Education Certificate awarded by an approved further education institution;
- Related work experience;
- Mature learners may present a more varied profile of achievement that is likely to include extensive work experience (paid and/or unpaid) and/or achievement of a range of professional qualifications in their work sector.

English Language Requirement for BTEC HND Programmes

Students are expected to be able to demonstrate English language comprehension at a level equivalent to IELTS (International English Language Testing System) 5.5 to be able to study BTEC Higher Nationals.

The Pearson expectation of IELTS 5.5 (Reading and Writing must be at 5.5) applies to all students recruited to BTEC level 4 and level 5 qualifications after 1st January 2015 (a higher expectation applies for level 6 and level 7). The College is required to satisfy itself of the fact that the students have been recruited with integrity and that they will be able to cope with the rigour of the programme.

The College has adopted its own internal English test. The College has to satisfy itself that the student's score is commensurate with IELTS 5.5, but the expectation is not limited solely to the use of IELTS.

All students seeking admission to NCL (including EU and Overseas) are asked to provide one of the following:

- Recent evidence that their command of spoken and written English is at IELTS 5.5 (or equivalent) adequate for the programme of study for which they have applied. The expectation can be met using other English language tests such as Pearson PTE, City & Guilds, Cambridge and ESOL etc.

- Please note, evidence of English language proficiency is not needed for students who have studied in English for the final two years of school (e.g. GCSE).
- Completed a school leaving qualification containing English, which NCL considers to meet the CEFR B2 level in all four skills prior to the proposed date of enrolment.
- The College is permitted to adopt its own internal English language test to judge whether students meet this standard. It is for the College to satisfy itself that the student's score is commensurate with IELTS 5.5, but the expectation is not limited to the use of IELTS.

The College reserves the right, in individual circumstances, to specify an additional language requirement for an applicant.

Other criteria

The College reserves the right to not consider an applicant for entry if the entrant has previously been withdrawn from the College on academic grounds or due to submission of fraudulent documentation.

The majority of BTEC Higher National qualifications are accredited on the RQF for learners aged 18 years and over.

I have been working as a business manager in London for more than 7 years, however there was no more opportunity to go further within the profession without obtaining any certification of higher studies. So, I decided to join Nelson College and study HND in Business. So far, this was the perfect direction for me as I feel the most welcomed since I joined.

All staff members have positive, friendly and helpful attitude and they always try to push me further so I can achieve more during my studies at the College. As the end of the first year approaching, I can proudly say I made the right choice when I enrolled back in September 2018. I feel very confident about that this course provides me with the adequate knowledge which will be very useful in higher studies as well as in the work life.

Hello, my name is Ramona Disca and I started studying at Nelson College in September 2019.

I am currently on the FdA Business course in my first year; so far my journey here has been smooth and rewarding. I have learned a lot, built my confidence and made new friends since joining the College.

The course is really interesting and the staff very helpful, the lectures always keen to help if needed and the modules informative and easy to comprehend. By studying Business which is essential nowadays, more doors will be opened for me, opportunities will arise. This will give chance in securing me a job that will give me satisfaction in an ever changing industry.

For anyone considering in applying for a course at Nelson College, I highly recommended it. The College is offering a range of different courses, suitable for everyone, with a flexible timetable and challenging modules; so that the future mature students can balance their personal life with their student one.

Thank you Nelson College for giving me the opportunity to study and to fulfil my dreams!

P.S. it is never too late to start learning again!

BA (Hons) Top up Courses

My name is Albena Dimitrova and I began my studies at NCL in September 2017, studying HND in Hospitality Management. Having successfully completed in June 2019, I then applied to continue a third year of study on the Top up programme. I am currently studying on the BA (Hons) Hospitality Management programme at the College.

I receive amazing individual support from my tutors. The teachers always address the main issues and help me to achieve better grades. I found the teachers to be very friendly and encouraging. Being taught in small groups helped to get done quickly and efficiently.

Course lecture notes were superb, well presented, interesting and something I will keep and re-read many times. Each module opened a world of self-discovery, new understanding with my Tutor giving wonderful encouragement.

This is a friendly campus in a great location. The College provides a lot of activities, workshops and fieldtrips for students to join in and participate. The staff is very encouraging and helpful. It has been great for me so far!

Teaching Excellence Framework Outcome 2019

Silver Award for Nelson College

The Office for Students has awarded Nelson College a Silver rating as a result of the 2019 Teaching Excellence & Student Outcomes Framework exercise.

Welcoming this award, Professor Geoffrey Alderman, Principal of the College, said:

“Last year Nelson College was given a Bronze award, so the Silver award that’s been made to us this year is very welcome, and a tribute to the hard work, dedication and enthusiasm of all our staff and students. I congratulate them all on this result, which helps consolidate our position as a leading provider of higher education in our region.”

NCL KNOWLEDGE EXCHANGE CENTRE (KEC)

The Knowledge Exchange Centre in simple terms is a department within Nelson College that focuses on bridging the gap between employer and student. Our core aim is to consistently make a conscious effort to remove the career obstructions that our students may be facing through extra-curricular and academic events as well as other initiatives which are open to all Nelson College students to utilize and enjoy.

The Knowledge Exchange Centre aims to produce informative and career-related information through the use of more interactive platforms such as our social media channels, our video blogs and website blogs that can be accessed via our website and our YouTube channel – all accessible at the fingertips of our students.

The Knowledge Exchange Centre is also directly accessible to small to medium sized businesses. This service allows businesses to take advantage off our wide range of facilities and also to benefit extensively from Nelson College's expertise.

One of the core objectives of the Knowledge Exchange Centre is improving career prospects for our students. In support of this we are now creating a dedicated Careers Service, providing students with support in CV writing, interview preparation, setting up a LinkedIn account, job searching and much more.

EMPLOYABILITY AND NETWORK PLATFORM

Here at Nelson College we are actively seeding out new opportunities to increase employability for our students.

Our main aim is to make our students stand out from the Competition, through benefiting from our range of exclusive workshops and field-trips, including our portfolio of key industry professionals including CEO's, Managing Directors and HR Managers.

Our employability led events, such as our annual Employers Forum teaches students soft skills that are transferable and viewed as beneficial in the workplace.

Through providing students with career based opportunities, we are essentially up-skilling our students, thereby providing more employable candidates for the job market.
