

An update from Quality Assurance Department

Dear Students,

The update for last week focused on 'IT Acceptable Use Policy & e-Safety Procedures'.

The aim of this policy is to ensure that the IT facilities of Nelson College London are used safely, lawfully and equitably.

The update for this week focuses on 'Open Door Policy'.

The aim of this policy is to encourage open communication and discussion between students, staff, team members and managers.

The link to the policy on NCL website is as follows:
