

An update from Quality Assurance Department

Dear Students,

The update for last week focused on 'Prevent Strategy'.

The policy focuses on 'Prevent Duty' and the importance of collaborative working between college staff, local authorities, police, other educational institutions, policy makers and health providers to identify, detect and safeguard vulnerable people throughout the organisation.

The update for this week focuses on 'Recruitment, Selection and Admission Policy'.

The aim of this policy is to ensure that the College has a transparent, reliable, fair and inclusive recruitment, selection and admissions systems which support the College in widening access to a diverse body of prospective students who are able to complete their studies judged by their achievements and/or their potential.

The link to the policy on NCL website is as follows:
