

An update from Quality Assurance Department

Dear Students,

The update for last week focused on 'Recruitment, Selection and Admission Policy'.

The aim of this policy is to ensure that the College has a transparent, reliable, fair and inclusive recruitment, selection and admissions systems which support the College in widening access to a diverse body of prospective students who are able to complete their studies judged by their achievements and/or their potential'

The update for this week focuses on 'Safeguarding Policy'.

The policy outlines the provision of a safe environment conducive to work and study which results in a positive experience for all members of its community.

The link to the policy on NCL website is as follows:
